

About Our Faith...

We are a member of the global family of Seventh-day Adventists. Since our inception over 100 years ago, our members have been committed to the mission of the church:

"To bring the everlasting gospel of Jesus Christ to life in the church and surrounding communities, by nurturing our church families and youth to become active participants in spreading the Word of God."

We believe in Jesus Christ as Lord and Savior and the Gospel as the power of God. We observe the seventh-day Sabbath as the day God Himself blessed and set aside as a day of rest & worship. What drives us, though, is our passion to serve God in every aspect of our life and to live to His glory.

Our Pastor...

What Are Our Services Like?

Our services typically begin with a time of singing, praise, and worship (led by our worship team) followed by prayers, the offering, scripture reading, and sermon. We invite you to participate in our Christ centered worship and a study of God's Word.

What is there for my children?

We have classes available for all ages during the Sabbath Bible study time. During the worship service we encourage you to join us in the sanctuary. If needed, a mother's room with a video feed of the service is available.
